

VOLUNTEER SPOTLIGHT

Dave Schwaller

Meet Dave!

Dave has been a volunteer with Habitat for 11 years. He started in 2006 volunteering in the ReStore. He was also on the Board of Directors for 6 years, with 3 of those years being the Treasurer and serving on the Finance Committee. Dave's favorite part of volunteering is the opportunity to work with such a fine and unique organization as well as working with a wonderful group of volunteers and staff.

Dave enjoys helping with the ReStore layout, aisle designation, organization and signage. In addition, he has helped with energy efficiency in terms of assisting with installing energy efficient fluorescent lights, overhead fans, and various building enhancement.

Thank you Dave for everything you do for RCHFH!
