VOLUNTEER SPOTLIGHT

Ron Hurley

Meet Ron!

Ron has been a volunteer with Habitat for 10 years. He started when Dick Crader recruited him while shopping in the ReStore. His first response was that he was too busy to volunteer but his wife said, “no you aren't”. He has been volunteering in the ReStore ever since. He has developed his own niche, scrapping metals that would normally be thrown away. Over the past 10 years, \$12,000 has been generated by recycling copper and other metals.

Ron and Kathy have 3 children, 7 grandchildren and one great-grand child. Ron had a 40 year career in the Military, and proudly, his uniform still fits. He has been on the Honor Flight and has volunteered to assist with several Honor Flights since then.

Thank you Ron for everything you do for RCHF!
