

Keeping Up With Habitat

Habitat for Humanity RIVER CITY

The Habitat Times

Spring 2011

Our New Website is Up!

When you need the most up-to-date information on River City Habitat for Humanity's work in Jefferson City, visit us at www.rivercityhabitat.org. Updated features include:

- Pre-Application for Partner Families available for download
- A List of Recent E-Newsletters
- Updates on the stock of items available at the Re-Store
- Volunteer Group work schedule for Saturdays
- An Up-Coming Events section
- Updated Volunteer Interest Survey

If you have photos, news items or requests for the next quarterly e-Newsletter or our website, please e-mail kelly@rivercityhabitat.org.

We want to send our heartfelt thanks to Scott Page at Trackside Marketing, who does all of our site design, maintenance, hosting and upkeep as a volunteer. Scott also handles our e-mail and answers strange questions on a regular basis. Thanks for your service, Scott!

Volunteers Needed!

Do you know someone interested in getting involved with RCHFH? As always, we have many ways to serve! Current needs include:

- Fund-Raising Committee**—We are in the process of building a fund-raising committee and are in need of energetic volunteers!
- Church Relations Committee**— Our Church Relations committee is in need of volunteers willing to help us spread the word about Habitat's mission to area groups.
- Russellville Steering Committee**—We are pursuing the possibility of doing the first Habitat home in Russellville, Missouri. We are in need of Russellville area volunteers to help get the planning for that project off the ground.

When You Support RCHFH, your support does not stop in Jefferson City, Missouri, or even the United States. Each time a Habitat home is dedicated in Jefferson City, we sponsor a Habitat home in another part of the world. In recent years RCHFH has built multiple homes in Malawi, Mozambique and Haiti. In years past we have also built in places like Cambodia, Vietnam, Ethiopia, Uganda, and more.

We're on Facebook!

Search for River City Habitat on Facebook and "Like" us. You can receive updated information on our work through our Facebook account once we build up a "friendbase" there. Tell your Friends about Habitat on Facebook and help us spread the word about our work in Jefferson City!

Did you know Quaker Window donates all of the windows for FIVE RCHFH homes a year? That is one of our largest local donations!

Longhorn Donates

In February and March, our Re-Store was the recipient of many donations from the Jefferson City Longhorn restaurant. As Longhorn re-decorated, we sold the donated items to support our housing ministry via the Habitat Re-Store. So far the Re-Store has raised over \$5,500 from the Longhorn donations! If you are in need of booths or tables, we have a few left in the store!

"What I remember most is all the support and people that were willing to help a stranger. Every Saturday I work, I see these strangers, that are now friends, working just as hard as I am. No one treated me like I was 'needy' or not deserving of my own home."

-New Habitat Homeowner LaTrise

Help Support Our 70th Build!

Wow! Thank you Jefferson City, for your amazing support of our up-coming landmark 70th build at 819 Clark Avenue. The search for the right family continues, while Jude Markway and James Stark are on-board to supervise the rehab project—the latest in RCHFH's multi-year Neighborhood Renewal Project. In April, you will see collection jars at the downtown businesses in support of the Community Build and Jefferson City's public elementary schools will be collecting change for us! You can still make your pledge! Find a pledge form on our website at www.rivercityhabitat.org and thank you!
