Volunteers Needed!

Do you know someone interested in getting involved with RCHFH? As always, we have many ways to serve! Current needs include:

Fund-Raising Committee—We are in the process of building a fund-raising committee and are in need of energetic volunteers!

Church Relations Committee— Our Church Relations committee is in need of volunteers willing to help us spread the word about Habitat's mission to area groups.

Russellville Steering Committee—We are pursuing the possibility of doing the first Habitat home in Russellville, Missouri. We are in need of Russellville area volunteers to help get the planning for that project off the ground.
